The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person on whom such Order is conferred.

10. The preceding Clause shall be taken to apply to Decorations of the Guelphic Order which were bestowed

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. **Application for permission** to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. **Permission** to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the honor, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a register thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Digitized by Google

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor [illegible], nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be [illegible] to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be [illegible] on the spot where the act to be rewarded by the [illegible] Decoration has been performed, under the [illegible] circumstances:—

1. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

2. When the Naval or Military forces under the eye [illegible] of an Admiral or Commodore commanding a [illegible] or detached naval force, or of a General [illegible], or division or brigade on a distant [illegible] service, when such Admiral, Commodore, [illegible] shall have the power of conferring the [illegible] on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as [illegible], then the claimant for the honour shall prove [illegible] the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the [illegible] to which the claimant belongs, and such [illegible] Commanding Officer shall report the [illegible] the usual channel to the Admiral or Commodore commanding the force employed on the service, [illegible] commanding the forces in the field, who [illegible] such description and attestation of the act [illegible] requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for [illegible] under rule seven, shall be publicly decorated before the Naval or Military force or body to which he [illegible] with which the act of bravery for which he [illegible] shall have been performed, and his [illegible] recorded in a General Order, together with [illegible] especial distinction.

Tenthly. It is ordained that every person selected under [illegible] his Decoration as soon as possible, [illegible] appear in a General Order as [illegible] such General Order to be issued by the [illegible] Military Commander of the Forces employed on [illegible]

Eleventhly. It is ordained that the General Orders above [illegible] from time to time be transmitted to Our [illegible] State for War, to be laid before Us, and shall [illegible] registered.

Twelfthly. It is ordained that as cases may arise not [illegible] in the rules above specified, or in which a [illegible] well founded, may not have been established [illegible] We will, on the joint submission of Our [illegible] State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Officers of Commission and Warrant Officers of the Royal Navy, and of Commissioned Officers of Royal Marines, are allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations :

2. The Pensions authorized by these Regulations cannot be claimed as Rights—they are granted as rewards for good and faithful service rendered by deceased Officers ;—they are only to be conferred on persons deserving the Public Bounty,—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that on which their Husbands died, provided claim be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances :—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon : provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent mis-

application of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the date of these Instructions, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriages. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, — or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in *Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers will be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

BY THE QUEEN.

the ranks or ratings specified in the fifth class of this Our Proclamation who have been ordered to do duty in any of our ships and vessels by the Lord High Admiral, by Our Commissioners for executing the office of Lord High Admiral, by the senior officer of the fleet or squadron, or if none senior then by the captain or commanding officer of the capturing ship or vessel, if not by special authority employed in higher capacities, shall share according to the ranks which they respectively hold in the service; but in all cases, to qualify them for so sharing, and not merely as supernumeraries in the ninth class, due notation of their being thus respectively ordered to do duty must have been made on the muster-books.

And with respect to supernumeraries of ratings in the service below the denominations of those specified in the fourth class of this Our Proclamation, and who at full victuals are engaged in the ordinary duties of the ship, it is Our Will and Pleasure that they shall falways share according to the ratings which they bear in the service.

And in order that Our Royal intentions herein may be duly carried into effect, We further direct that when any capture or seizure is made, or service performed or which a distributable grant or reward is to be, or is expected to be, conferred or awarded to any of Our ships or vessels of war, the captain or commanding officer shall transmit or cause to be transmitted, as soon as may be, to the secretary of the Admiralty a true and perfect list of all the officers, seamen, marines, soldiers, and others who were actually on board on the occasion, accompanied by a separate list containing the names of those belonging to the crew who were absent on duty or otherwise at the time, specifying the cause of such absence, each list to contain the quality of the service of each person, together with the respective descriptions of the men taken from the description book of the ship or vessel, and their several ratings, to be subscribed by the captain or commanding officer, and three or more of the chief officers on board.

And when the list of those actually on board, and the separate list of persons absent, though belonging to the ship or vessel, shall have been verified on examination with the muster books lodged as official records, the Accountant General of Our Navy shall, upon request, grant to the agent or agents nominated or appointed by the captors or seizors, &c., a certificate that such lists are correct or have been corrected, as occasion may require, in order that distribution of the respective prize or other proceeds payable as prize money may be duly made.

And in the event of difficulty arising with respect to any of the regulations hereby ordered, or if any case should occur not herein provided for, or not sufficiently provided for, We are pleased hereby to authorize the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral for the time being, to issue such directions thereupon as may appear just and expedient; which directions shall have the same force and effect as if specially provided for in this Our Royal Proclamation.

Provided always, and the distribution herein before ordered shall take effect only with respect to the proceeds of captures, seizures, and services as aforesaid, which shall be made and performed on and after the first day of April one thousand eight hundred and fifty-four; and that the proceeds arising from all captures, seizures, and services as aforesaid, made or performed prior to that date, shall be distributed in accordance with any Proclamation or Proclamations now in force or in force at the time of such captures, seizures, or services respectively and applicable thereto, which We are pleased hereby to direct accordingly.

Given at Our Court at Windsor, this twenty-ninth day of December, in the year of Our Lord one thousand eight hundred and fifty-three, and in the seventeenth year of Our reign.

GOD SAVE THE QUEEN.

Admiralty, 1st December, 1850.

PRIZES BROUGHT BEFORE THE VICE-ADMIRALTY COURTS ABROAD.

Her Majesty having been pleased, by Her Order in Council of the 22nd day of October, 1850, to establish the following Regulations for the several Courts of Vice-Admiralty abroad, touching the practice to be observed in the said Courts in proceedings instituted on behalf of Her Majesty's Ships, and as to the costs incurred in such proceedings, and for securing the transfer to the account to Her Majesty's Paymaster-General, on account of Naval Prize, of the proceeds of any prizes which may be condemned in the said Vice-Admiralty Courts in any of Her Majesty's Ships, My Lords hereby make known the same for the information of the Officers of Her Majesty's Ships whom they may concern.

1. Whenever any Ship, Vessel, Goods, or Merchandize has or have been detained or captured by any of Her Majesty's Ships or Vessels of War, and it has been determined to send the same before some Vice-Admiralty Court for adjudication, the Commanding Officer of the capturing Ship shall deliver to the Officer who may be sent in charge of the Prize an authority to institute the necessary proceedings, and such authority shall be in the terms or to the effect contained in the Exhibit hereto annexed marked No. 1.

2. The Officer to whom such authority is given shall, upon his arrival in Port, or the Commanding Officer shall himself, if in Port, deliver the said authority to the Queen's Proctor in the Colony, or in his absence, or on his refusal or default to institute proceedings, to any other Proctor in the said Colony; and such Proctor may thereupon institute the necessary proceedings against the said Prize, with a view to her condemnation.

3. At the termination of the proceedings the Proctor who shall have conducted the suit on behalf of the Queen's Ship shall submit his costs, as also any charges which may have been paid by him, and which are properly chargeable against the said Prize, including the expenses, if any, attending the maintenance and conveyance of the Prize Officer and Crew, for taxation; and the Registrar of the Court, after having carefully examined them, shall report to the Court the amount at which such costs, charges, and expenses ought to be allowed.

4. Should the Prize be condemned, then, if the proceeds arising from the sale thereof are sufficient, the Court may order payment of the sum at which the said costs, charges and expenses have been taxed, to be made out of the said proceeds, and the balance of such proceeds shall be forthwith paid to the senior Commissariat Officer of the place, in order that the same may be remitted to this country, in accordance with the provisions of the Act of the 17th Victoria, cap. 19.

5. But if the proceeds shall be insufficient to pay the amount at which the said costs, charges, and expenses have been taxed, the Court may order the whole of the said proceeds to be paid in part satisfaction thereof; and the said Proctor may then draw on the Accountant-General of the Navy a bill, at thirty days after sight, for the balance remaining unpaid, and shall transmit with such bill the authority above mentioned from the Commanding Officer of the capturing Vessel for instituting proceedings against the said Prize.

6. If, however, there shall be no proceeds, or if the Prize against which proceedings have been instituted has been decreed to be restored, the Proctor may draw upon the Accountant-General of the Navy a bill at thirty days after sight for the whole amount at which the said costs, charges, and expenses have been taxed and allowed by the Court, and shall transmit with the said bill the authority from the Commanding Officer of the capturing Ship, authorising him to institute proceedings against the said Prize.

7. The Registrar of the said Court shall, as soon as possible after the said Costs are taxed, and *before* the Proctor has drawn upon the Accountant-General of the Navy for the amount which may be due to him, transmit the account of the said costs, charges, and expenses in original signed by himself and the Judge of the said Court, to the Registrar of the High Court of Admiralty of England, accompanied with a certificate stating the amount at which it has been taxed, whether the whole or what part thereof has been paid, and whether any and what part remains due, and for which the Proctor may draw upon the Accountant-General of the Navy, and if the proceedings have not been conducted by the Queen's Proctor, whether that officer has declined or refused to conduct them, and on what grounds.

8. The Accountant-General of the Navy shall, upon any such bill as aforesaid being presented to him for payment, forward to the Registrar of the High Court of Admiralty a statement showing the amount for which such bill is drawn, the name and description of the person to whom it is drawn, and the Prize in respect of which the same is payable, and the Registrar shall thereupon inform the Accountant-General whether the amount for which the bill is drawn agrees with the account received by him from the Registrar of the Vice-Admiralty Court, and whether there is any reason why the said bill should not be accepted and paid.

9. Upon receiving the reply of the Registrar of the High Court of Admiralty, the Accountant-General of the Navy may accept the said bill, in whole, or in part, to the extent of the amount which may appear to be properly due, and shall, if a condemnation has taken place, direct

We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of his Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board his said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

[*For Rates see Proclamation dated 23 April, 1831, page 283.*]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided, that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following;

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he *or they* respectively shall have actually paid and *satisfied, as* shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so *received as* Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sums on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to *its Proportion* of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on *receiving* any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the *Admiralty*, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be trans-shipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals *and* Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate of Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements not consistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to make demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

SEA-TIME TO AGENTS OF TRANSPORTS.*

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Wherens we are of opinion, that it would be desirable for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports, and as these Officers are under existing Orders in Council denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was plensed, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) WM. L. Bathurst.

DUPLICATE MEDALS AND CLASPS.

Admiralty, 1st July, 1858.

My Lords Commissioners of the Admiralty have been pleased to approve of the following regulations respecting the issue of Duplicate Medals and Clasps for the undermentioned services, to replace those lost or stolen, viz.:—

Medals for the Campaign in the Crimea.		
"	"	Baltic.
Clasps	..	Sebastopol.
"	..	Inkerman.
"	..	Balaklava.
"	..	Azoff.

Duplicate Medals and Clasps will be issued to those only who have *not* left the Naval or Marine Service, or to Pensioners, or to persons who, after having left the Navy, joined and are still serving in the Army.

In cases of the loss having been sustained by officers or men *in the performance of their duties*, in the strictest sense of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that the loss occurred under circumstances beyond their control; but in cases of loss while they were not on duty, the loss can only be replaced on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commanding Officer of the Ship on board of which the applicant is serving, to Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, to the Staff Officer of the District in which he resides; and in every certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

As the Duplicate Medal or Clasp will be issued on the Certificates only, great caution should be used in granting them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

Form of Certificate.

I hereby certify that has this day appeared before me, and stated that he has lost which was issued to him for his services on board Her Majesty's Ship , that I have caused the case to be thoroughly investigated, and from the evidence produced I am satisfied that the loss was sustained under circumstances beyond his control, and not through any misconduct or negligence on his part; further, that at the time he was in the execution of his public duty.

Given under my hand this day of

By Command of their Lordships,

A Circular will shortly be issued embodying the new Regulations.

(NAVAL RETIREMENT.)

At the Court of Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's *Most* Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz.:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"If on 10*s.* 6*d.* Half Pay List when retired		18*s.* per diem.
If on 12*s.* 6*d.*	" " "	20*s.*
If on 14*s.* 6*d.*	" " "	

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

"Captains who may arrive at the head of the list without having served in that rank, to be placed on the list of Reserved Flag Officers, with the pay of 20*s.* per diem.

"In making these proposals, we would humbly submit that Captains now on the 14*s.* 6*d.* Half Pay List, should not be affected by them, unless by their own desire.

"Second, as relates to Commanders.

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

"Time served in command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in Transport Service on Shore, to count as Sea Time, in the scale of Retired Pay, in the proportion of three years in the Coast Guard or Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat or abroad to count for the above purpose as Sea Time, for the first three years, and after that in the proportion of three years' agent's time as two of Sea Service.

"For every year's service as Acting Lieutenant, Mate, or passed Midshipman, after the completion of two years' service, or combined service in those ranks, an Officer to be allowed three pence per diem additional.

"Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1831, and 30th January, 1856, will be entitled to increase of pay, on the above scale, according to their length of service.

"Lieutenants.

"No further additions from the Active List to be made to the present Retired and Reserved Lists for Commanders and Lieutenants.

"Time served in Command of Revenue Vessels to count as Sea Time.

"Time served in the Coast Guard on Shore, or in the Transport Service on Shore, to count as Sea Time, in the scale of Retired Pay, in the proportion of three years in the Coast Guard or Transport Service as one of Sea Service.

"Time served as Mail or Transport Agents afloat or abroad to count for the above purpose as Sea Time for the first three years, and after that in the proportion of three years Agents' Time as two of Sea Service.

"For every year's service as Acting Lieutenant, Mate, or passed Midshipman, after the completion of two years' service or combined service in those ranks, an Officer to be allowed three pence per diem additional.

"Officers who may in future be recommended for the same Promotions on account of Good Service in the Coast Guard or Revenue Cruizers, or as Mail Agents, whom it may not be considered desirable to promote to the Active List, to be promoted to the Retired List, and be paid according to their Service on the above scale.

"Lieutenants who have been promoted to the Reserved List of Commanders under the Orders in Council of 25th June 1831, and 30th January, 1856, will be entitled to increased pay on the above scale, according to their length of service.

"Half Pay of Lieutenants on the Active List.

"We would humbly submit to your Majesty that the Half Pay of Lieutenants be in future fixed according to their Service in that rank, on the following scale:—

" 6 "	6 6
" 9 "	7 6
" 12 "	8 6

"Time served in Command of Revenue Vessels, in the Coast Guard, and as Mail and Transport Agents, to reckon as Service, in the same proportion as we have recommended shall regulate increase of Retired Pay to Officers on the Retired List.

"The present rates of Half Pay to be abolished for the future, but no Officer now in receipt of 6s. and 7s. a day to receive less than his present amount of Half Pay; Lieutenants, however, may be allowed Half Pay at the rate of 5s. a day, if, through illness contracted in the Service, they shall have been unable to serve three years at sea in that rank.

"Greenwich Out-Pensions.

"All Officers on the Active List who accept the Out-Pension of Greenwich Hospital to be placed on the Retired List in the rank which they may then hold, and to be permitted to assume a step in rank on reaching the age of sixty, but without further increase of pay.

"Should your Majesty be graciously pleased to adopt these our suggestions, we would humbly submit that your Majesty will authorize us to carry into operation the details, arrangements and changes herein contemplated, from such date or dates as we may think fit and expedient.

"In conclusion, we beg leave to represent to your Majesty that the Lords Commissioners of your Majesty's Treasury have sanctioned the additional expenses which will be entailed in carrying out this proposed scheme."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council, to approve of what is therein proposed. And Her Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR, No. 16.

N

Admiralty, 17th June, 1862.

(ENGAGEMENTS FOR CONTINUOUS SERVICE.

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relating to engagements for continuous service, be promulgated for the information and guidance of the Officers in command of Her Majesty's ships, and the seamen of the Fleet:—

1. Men who enter the Royal Navy for the first time as continuous service men, are to engage for 10 years' service. Having served that period, they may have the option of completing their time for pension either by two separate entries of 5 years each, or by one entry for 10 years.

2. Non-continuous service men who volunteer for continuous service, are likewise to be entered for 10 years. Those who so volunteer, when serving afloat, may be permitted to count towards such 10 years any period of non-continuous service time, not exceeding 3 years, served on board the particular ships from which they volunteer.

3. Men who have completed 10 years' service under the rules laid down in the preceding paragraph, and those who have served 7 years' continuous service under the regulations in force prior to the 1st of January last, are to have the option of re-entering for 5 years, and a subsequent entry for the period necessary to complete their time for pension; or they may engage for the whole period requisite for that purpose.

4. No man who has served 10 years upon the non-continuous service system is to be permitted to enter for continuous service, unless, within 12 months after having completed the said period, he engages for one term of 10 years' further service.

By Command of their Lordships,

C. Paget.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

MEMORANDUM, No. 17.

C

Admiralty, 26th August, 1862.

(PASSING FOR LIEUTENANTS AND MASTERS.)

Midshipmen and Acting Sub-Lieutenants are required to pass their several Examinations for the rank of Lieutenant, in accordance with the Regulations which were in force at the time when they severally entered Her Majesty's Service.

Officers who entered the Service previously to the 1st May, 1857, are to be allowed the option of passing after Five Years' Service, under the provisions of the late Circular No. 288, paragraph 20. Should they fail to pass under those provisions, they will be required again to undergo their several examinations for the Rank of Lieutenant at the expiration of Six Years' Service; and in no case will Seniority be allowed an Officer from an earlier date than the completion of such Six Years.

Officers who entered the Service between the 1st May, 1857, and April, 1860, must pass in accordance with the late Circular No. 288.

The Regulations referred to will be re-inserted in the Quarterly Navy List.

Masters' Assistants and Acting Second Masters will not be required to produce the number of observations mentioned in Article 11, page 63, of the Instructions until May, 1863.

By Command of their Lordships,

C. Paget.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the Track and Compass Courses.

3. Such knowledge of Nautical Surveying, as will enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., getting tops over and placing a lower cap, in setting rigging, and especially as to the precautions required in stayingg lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the details arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, as the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at the Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers. If Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the

INFORMATION FOR MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN COLONIES.*

1. Privileges in the acquisition of lands are at present allowed to military and naval officers in the colonies of New South Wales, Queensland, Western Australia, some of the provinces of New Zealand, Ceylon, the Cape of Good Hope, Natal, and British Columbia.

In all the above-mentioned colonies, except Ceylon, the control of the waste lands of the Crown has been transferred to the local legislatures. Her Majesty's Government cannot therefore guarantee the continuance of the following regulations, as they will be liable to be altered or discontinued by the local legislatures.

2. In the above-named colonies land is disposed of by sale only; but officers purchasing land are allowed a remission of the purchase money, according to the under-mentioned scale:—

	£.
Field officers of 25 years service and upwards, in the whole	600
Field officers of 20 years service and upwards, in the whole	500
Field officers of 15 or less years service, in the whole	400
Captains of 20 years service and upwards, in the whole	400
Captains of 15 years service or less, in the whole	300
Subalterns of 20 years service and upwards, in the whole	300
Subalterns of 7 years service and upwards, in the whole	200

Subalterns, under 7 years standing, are not entitled to any remission in the purchase of land.

Regimental staff officers, and medical officers of the army and navy, are allowed the benefit of this rule:—but military chaplains, commissariat officers, and officers of any of the civil departments of the army; pursers, chaplains, masters, men, warrant officers of every description, and officers of any of the civil departments of the navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the navy rank with ensigns in the army, and mates of three years' standing with lieutenants in the army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, officers of the army and navy on full or half pay, should provide themselves with a certificate from the office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, showing that their settlement in a British colony has been sanctioned, and stating their rank and length of service. No document from the office of the Secretary of State is necessary.

4. This certificate will not on any account be issued more than once to the same officer, or to any officer on half pay who shall for two years immediately preceding the date of this notice have resided in the colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of land. This rule, however, is not to affect officers who, having obtained permission to settle in a British colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of the above-named colonies, which will be a sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the regulations being to encourage the permanent settlement in the above-named colonies of military and naval officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, officers will not, for the space of two years from the making out of their certificates, receive a Crown grant for any land purchased by such certificates, but will, at the mean time, receive a "location ticket." At the expiration of two years, the officer, on showing to the satisfaction of the Governor that he is *bonâ fide* a resident settler in the colony, and has so resided continuously since receiving his "location ticket," will be entitled to a Crown grant on receipt of the exchange for it. If, however, application should not be made for the exchange of the "location ticket" within two months from the expiration of the two years for which it was granted, it will be considered to have lapsed, and the land will be open to sale or grant. In case of the officer's death

IV. Every person desiring to take advantage of the privileges accorded by this Act shall before obtaining any of the same, produce to, and leave with, the Chief Commissioner of Lands and Works for British Columbia, a Certificate from the General Commanding in Chief in England, or from the Office of the Lords Commissioners of the Admiralty, showing that the settlement of the said person in a British Colony has been duly sanctioned, and showing also the rank and length of service of such person, but nothing herein contained shall entitle any person to any of the Grants aforesaid, except such person shall at the time of actually settling or residing upon, and recording such Country Lands, be either on half pay or full pay; unless the person settling shall have quitted the service for the purpose of settling in a British Colony.

V. Every person who shall have so quitted the service for the purpose of settling as aforesaid, shall before being entitled to the privileges afforded by this Act, obtain a statement by the proper authority, to be made in one of the Offices aforesaid, and upon his Certificate aforesaid, of the date of his retirement from the Army or Navy, for the purpose aforesaid.

VI. Every Officer who shall have conformed to the Regulations aforesaid, shall present his Certificate to the Governor for the time being aforesaid, within one year from the date of his retirement aforesaid; and in default thereof shall cease to be entitled to any of the privileges afforded by this Act.

VII. Provided always, that every person availing himself of the privileges of this Act, shall not be entitled to a Grant of the Land sought to be acquired under this Act, until he shall have obtained from the Governor for the time being of British Columbia, a Certificate that he has been a *bona fide* settler in British Columbia for the space of two years actually resident on the lands sought to be acquired.

VIII. Provided, that until such person shall have obtained a Grant as aforesaid, he shall be entitled to a Location Ticket, to be issued to him by the Chief Commissioner of Lands and Works for British Columbia.

IX. Provided, that unless the person holding such Location Ticket shall obtain a Grant of the Land in respect of which such Location Ticket shall have been granted within twelve months from the expiration of the said term of two years, the Land, in respect of which such Location Ticket shall have been granted, shall absolutely revert to the Crown, and be capable of being sold, pre-empted, or granted, *de novo*.

X. Provided that no Location Ticket shall be granted, or free grant made, unless the particular Land to be included therein, shall have been claimed specifically within two years from the date of such Certificate from the Offices aforesaid.

XI. Provided, that the Land in respect of which such free grant shall have been sought, shall not be transferable, until a grant thereof as aforesaid, shall have been made thereof.

XII. Provided, that the Governor for the time being of British Columbia may, in case of the death of the person entitled to the privileges aforesaid, before a Grant of the Land aforesaid, by any writing under his hand confer the benefit of the privileges aforesaid, to such child or children or other relative of the person entitled to such remission, as he may think proper.

XIII. Provided, that such child or children, or other relative, shall enjoy the right to such privileges to the same extent, and subject to the same conditions, as the person dying would have done had he lived.

XIV. Provided, that every Location Ticket and Grant as aforesaid, shall provide for the usual reservation of all public rights.

XV. Provided, that no free grant of Town or Suburban Lots or Lands in the Colony, shall be made under this Act.

XVI. Provided also, that every person, entitled to avail himself of the privileges of this Act, shall enter into possession and residence upon, and stake out, and record with the nearest Magistrate, the boundaries, plan, position, and particulars of the land in respect of which he seeks to obtain a free grant, in the same manner as the Record of a Pre-emption claim under the Registry law in that behalf, or as near thereto as may be. All lands, of which grants shall be claimed under this Act, shall be taken in one block and not otherwise.

XVII. This Act may be cited as the "Military and Naval Settlers' Act, 1863."

MEMORANDUM No. 44.—M.

Admiralty, 10th October, 1863.

(ASSISTANCE TO BE RENDERED TO THE ACCLIMATISATION SOCIETY.)

My Lords Commissioners of the Admiralty, having had under their consideration the important question of Acclimatisation, are pleased to direct that so far as is consistent with the requirements of the public service, and upon the distinct understanding that no expense whatever is incurred, every facility is to be given by the Commanding Officers of Her Majesty's ships and vessels to any accredited agent of the Acclimatisation Society, who may apply to them through any of Her Majesty's Foreign Ministers or Consuls, or through the Governor of any of Her Majesty's Colonies, for the transport of specimens.

The annexed copy of a circular addressed by permission of the Secretaries of State for Foreign Affairs and for the Colonies to Her Majesty's Foreign Ministers and Consuls and Colonial Governors, in various parts of the world, will explain the objects which the Society has in view.

By Command of their Lordships,
C. PAGET.

To all Flag Officers, &c.

ACCLIMATISATION.

Enquiries addressed to Her Majesty's Minister, Governor or Consul at

The Gentlemen to whom these questions are addressed, are earnestly requested to consider the high importance which will be attached to the answers which they may return, and the service which they will render to the cause of Acclimatisation by endeavouring to the utmost of their knowledge, to make those answers as full and otherwise as satisfactory as possible.

The main purposes of Acclimatisation are to introduce, acclimatise, and propagate in the United Kingdom and its Dependencies such Animals, Birds, Fishes, Insects, and Vegetables as are likely to be of use or ornament, whether for domestication or for varying the common food of the people, or for manufacturing, or for any other useful purpose; and whose constitution and habits offer a reasonable prospect of successful cultivation. It is obvious that in India, Australia, Canada, the Cape, and other important Dependencies, unlimited scope is afforded for almost any variety of experiment.

It is confidently expected that the answers returned to these questions by Her Majesty's Ministers, Governors, and Consuls in different parts of the World, will bring together a mass of information on this interesting and highly important branch of knowledge such as never has been collected before, and the benefit which these Gentlemen will thus confer upon their fellow-countrymen will be in proportion to the fullness and exactness with which those answers are drawn up.

In replying to Questions 1, 2, 3, and 8, it is particularly requested that those special qualities which recommend the Quadrupeds, Birds, Fishes, and Vegetables as fit for food or domestic utility may be described. As regards Quadrupeds, Birds, and Fishes, it will be very desirable to collect all the information which can be got as to the best modes of feeding, keeping, and rearing the same, and, as regards Vegetables, any information as to the best mode of cultivation.

QUESTIONS.	ANSWERS.
I. Is there any Quadrupel, indigenous or introduced to the Country in which you reside, which (having regard to the above definition of the objects in view) merits attention with a view to acclimatisation in Great Britain or any of its Dependencies? If there be any such, state whether it is attainable at a reasonable rate, and whether it is likely to bear the risk of transport.	
II. Is there any such Bird?	
III. Is there any such Fish?	
IV. Is there any such Insect?	
V. Is there any such Timber Tree?	
VI. Is there any such Medicinal Plant?	
VII. Is there any Fibrous Plant likely to be useful for manufacturing purposes?	
VIII. Is there any Vegetable suitable for the food of man, or for forage, or for any other useful purpose?	
IX. Do you know any Quadrupel, Bird, Fish, Insect, Tree or Plant existing elsewhere, the introduction of which to the country in which you reside would be likely to be beneficial; one of the objects of the Acclimatisation Society being to reciprocate the benefits which it receives from other countries?	
X. Does any Organisation exist, or could it be easily called into existence, capable of undertaking the task of introduction?	

Any Remarks founded upon special knowledge or local information, capable of being made useful to the progress of Acclimatisation, will be desirable.

MEMORANDUM No. 47.

Admiralty, 4th December, 1863.

(NAVAL MEDICAL SUPPLEMENTAL FUND.)

My Lords Commissioners of the Admiralty having been informed by the Managers appointed under the Winding-up Act of the Naval Medical Supplemental Fund Society, 1861, that, *presidial all arrears of contributions*, together with such sums as may become due *to the 31st instant*, are paid up without delay, they will be enabled to carry out fully the purposes of the said Act,—are pleased, in order to facilitate the winding-up of the Society, to desire that all arrears, together with the abatements for the current quarter, may be immediately paid by Medical Officers, either by abatements from Officers' Full Pay, or by remittances to the Treasurers, Messrs. Hallett, Ommaney, and Co.

Should any delay occur in complying with this order, it will be necessary to enforce the rule respecting suspension of pay laid down in accordance with Article 9 of the Order in Council of 13th August, 1817.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidate's possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students, those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other officer as may be nominated for the purpose;—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander.

He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or, in case, however, the Chief Engineers according to such Officers may be on the spot, in the presence of the Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing Instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for ... charge." As a general rule, they will not be appointed ships bearing Chief Engineers; but they are not after ... so selected, to be considered eligible for promotion to the rank of Chief Engineer.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in commemoration of the spirit of the Queen's most gracious intentions, as manifested in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following rules are issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule directed by Her Majesty to be observed in conferring the marks of Her royal favour, is so comprehensive in its bearing within its scope all Officers, seamen, and marines and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are hereby invited to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the [illegible] September, 1854, the date of the landing of the Troops, and the [illegible] September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have [illegible] in the Country, and will be distributed in the first [illegible] to Officers and Men on board Her Majesty's Ships on the [illegible], and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1837. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service: such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be

so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-
F. pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in this Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank
I. Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat
L. or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person on whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed

Digitized by Google

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT,

The 7th day of January, 1864.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January, 1864, the words following, viz.:—

"Whereas by Your Majesty's Order in Council of the 26th of October, 1860, Your Majesty was graciously pleased to empower us to place on the lowest or any intermediate rate of half-pay Officers of Your Majesty's Fleet as by misconduct or irregular habits might from time to time render themselves unworthy to enjoy the higher rates of half-pay allowed to their brother Officers; and whereas instances have occasionally occurred in which, in consequence of intemperate or irregular habits, Officers of Your Majesty's Navy and Marines have been pronounced by medical evidence to have unfitted themselves for further active employment: We would humbly submit to your Majesty that in future, when we shall have fully satisfied ourselves, after due enquiry, that an Officer's incapacity for further active service has been occasioned by his own irregular and imprudent conduct, we be authorized to reduce such Officer's half-pay to a still lower scale than is sanctioned by Your Majesty's aforesaid Order in Council, viz., to such an amount below the minimum rate of the half-pay of his rank as we may consider to be adapted to the circumstances of the case."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army: and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the honour, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Digitized by Google

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders referred to shall from time to time be transmitted to the Secretary of State for War, to be laid before Us, and be by him registered.

Twelfthly. It is ordained that as cases may arise falling within the rules above specified, or in which claim, though well founded, may not have been published on the spot, We will, on the joint submission of Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery which the claim is made.

Thirteenthly. It is ordained that, in the event of any act and daring act having been performed by a ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem the acts are equally brave and distinguished, and that no selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding shall direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-commissioned Officer shall be selected by the Petty Officers, Non-commissioned Officers engaged; and one Seaman, Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration, if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Cross has been gained, be entitled to a Special Pension of Five Pounds a-year, and each additional Bar conferred for rule four on such Warrant Officer or Petty Officer, Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional reward as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or he be accused of any such offence and doth not, within a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the Register of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred by the fourteenth shall cease and determine from the date of such Warrant. It is hereby further declared that Our Heirs and Successors shall be the sole judges of circumstance demanding such expulsion; but We shall at all times have power to restore such person, who may at any time have been expelled, both to the Decoration and Pension.

Given at our Court at Buckingham Palace, this ninth of January, in the nineteenth year of our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

vii. If she shall be left in wealthy circumstances.

7. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the Listof Commissioned Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or die in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the cause which occasioned his death resulted from such service, did not arise from constitutional predisposition, was not brought on by any misconduct, or by any circumstance over which the Officer himself had control.

Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions will not have the same restored to them in the event of their becoming Widows.

Every Officer, whether on Full or Half-Pay, shall—in order to obtain the decision upon the claim of his Family to the benefit of these regulations—notify within six months of its taking place, to the Admiralty the Fact in the Form in the Appendix.

With respect to marriages contracted in Scotland to be substituted, for the purposes of these Regulations the Fact is to be proved either by an extract of the Register of Banns, or other legal record of the place in which the Marriage shall have been celebrated, — or by the Declaration of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in the presence of a Magistrate, according to the Form in the Appendix.

8. When an Officer is killed in action, and leaves no legitimate child, but leaves a Mother in a distressed circumstances, and who was wholly upon him, the mother shall receive a Pension at the ordinary rate of Widow's Pension attached to the Rank her Son held at the time of his death; but she shall herself be on the receipt of a Pension as a Widow, or shall have any other provision of the kind in the public, in that case no Allowance will be made on account of her Son, unless she gives up the Pension or Allowance, and the Pension given to a Widow on account of her Son will be forfeited on re-marriage, will not be restored in the event of her again becoming a Widow.

9.—Sisters of Officers are not eligible to any Allowance under very special and extraordinary circumstances to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case if the Officer shall have fallen in action, or shall have returned in action, within six months after he landed, and shall have left no Widow, legitimate Child, or Mother, nor unless the Sister shall be an Orphan, having no Brother, and shall have been dependent upon the Officer killed. Every Pension so granted to cease when the person receiving it shall marry, or in other manner sufficiently provided for.

10. *Rights of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be granted in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—
